RE: 9th International Conference on Advanced Vibrational Spectroscopy and International Symposium on Two-Dimensional Correlation Spectroscopy

Dear Doctor Yuqing Wu,

We look forward to your attendance at the 9th International Conference on Advanced Vibrational Spectroscopy as well as your invited talk at the 9th International Symposium on Two-Dimensional Correlation Spectroscopy to be held June 7-16, 2017 In Victoria, BC, Canada. Please accept this letter as an official invitation to attend. The Citizenship and Immigration Canada's Special Event Code for this event is "16ICAV."

The International Conference on Advanced Vibrational Spectroscopy (ICAVS) is a leading international conference that is open and dedicated to advances in all areas of vibrational spectroscopy. It therefore provides a broad, unique learning experience for newcomers to leaders in the field of infrared and Raman spectroscopy. The conference serves as an important event for discussion and exchange of the most cutting edge knowledge, insights, issues and ideas in vibrational spectroscopy.

Conference delegates are solely responsible for making their own arrangements and payments for travel, accommodation, registration and other matters related to their participation in this conference. At the time of issuance of this letter your registration has been paid in full.

Sincerely,

A handwritten signature in black ink, appearing to read "M. De Armond".
